THE TIMES

A father ends up in the wrong country on the wrong day as a government makes hasty proclamations about travel. A lonely son, while searching for his brother, loses himself. Across town a wife starts to realise her husband is not the man she thought he was (but rather likes it). Will anything ever be the same again?

Shakespeare's *The Comedy of Errors*, a fairy tale farce of everyday miracles, mistaken identity and double vision, is directed by comedy master Phillip Breen.
