LA FANCIULLA DEL WEST

GIACOMO PUCCINI (1858-1924)

Nikolaus Lehnhoff's Hollywood-style production updates Belasco's Wild West story to the capitalist culture of Wall Street, perfectly reflecting Puccini's innovative spirit. In a new angle on the age-old love triangle theme, corrupt Sheriff Jack Rance (Lucio Gallo) and charismatic criminal Dick Johnson (Zoran Todorovich) vie for the love of glamorous blonde and devout Christian Minnie (Eva-Maria Westbroek), finding her way in a man's world. Carlo Rizzi's idiomatic conducting draws excellent singing from the large cast and fine playing from the Netherlands Philharmonic Orchestra.

Sung in Italian with subtitles in English, French, German, Spanish, Italian and Dutch.
