

TEATRO ALLA SCALA

Lo frate 'nnamorato

Giovanni Battista Pergolesi (1710-1736)

A rare recording of Pergolesi's second opera, a comic tale of tangled love in which three girls resist their arranged marriages in pursuit of the same young man. Rediscovered by conductor Riccardo Muti, this forgotten jewel sparkles in its 1989 period production. Unlocked from the archives of RAI television, this is a classic recording from one of the world's great opera houses.

Marcaniello Alessandro Corbelli

Ascanio Nuccia Focile
